employer concerns

- but wk, sig concerns

Dx of pt incredibly concerning

pt care issue.

- eg. ↓ rash → HIV ← HIV "Incredibly concerning"

checking for TB (B) Accutane candidate

very odd

admit acne due to pregnancy

incredibly paranoid — feds walking her

pt do. also

(C) Paranoid - Feds involved

when told of FED,

made veiled threat incarcerate

(2) paranoid comments — prior lawyer re employer

(D) Former employers → for discrimination

→ fraud.

now feels everyone is out to get her.

per husband — telling to everyone but it

documentation documented — w/ CMO & VP (calendar)

this am. Wendy to learn spoke w/ her. Wendy Yang Lawsuit

thinks open to FED eval.
